By Order dated January 31, 1996, the Commission scheduled a hearing in this matter on March 14, 1996. March 4, 1996, the Louisville Gas and Electric Company, in conjunction with its Demand-Side Management Collaborative, filed a supplemental response to Request No. 9(b) of the Commission's Order dated January 5, 1996. The Commission has determined that the supplemental response presents issues that initially will need to be addressed through discovery.
